Hakatai Adds Decorative Glass Tile Liners in Modern, Glossy Colors

For Immediate Release: Hakatai, a leading supplier of glass mosaic tiles, has introduced a full line of decorative glass tile liners with color styles that fully coordinate with the thin, ultra-modern Select series of glass mosaics, but that can be used with most every type of glass tile offered by Hakatai.

The thin, lightweight construction of glass mosaic tiles in Select from Hakatai offer the same high-quality performance as thicker tiles in similar dimensions for cost-effective design programs. Hakatai's Select Liners come in the same style as the series but can be specified for any 1/8"-thick glass mosaics tiles. Select Liners from Hakatai can be used for decorative glass tile liners, accent, trim and glass tile borders for interior residential and commercial walls, kitchen backsplashes, bathroom and shower walls.

The Select series has several different sleek, glossy colors available that's achieved by firing special glazes on the underside of the tiles. Hakatai's decorative glass tile liners feature six of those colors in White, Light Gray, Black, Brown, Light Blue and Beige. Select Liners in 5/8" x 5/8" x 1/8" glass mosaics are suitable for interior and exterior wet or dry applications. Bright, modern-looking, glass tiles from the Select series as well as Select Liners are ideal for kitchen backsplashes, shower walls, pool borders and light residential floors.

For more information, please contact Hakatai Enterprises: 701 Mistletoe Road, Ashland, Oregon 97520, or by phone: 541-552-0855, fax: 541-552-0861, or email: info@hakatai.com. www.hakatai.com.
